

SPECTRUM PAINT

RHINO-GRIP 8000

RHINO-GRIP is a premium, all-purpose acrylic primer that dries quickly and provides excellent adhesion to a variety of surfaces including drywall, wood, masonry and previously painted metals. This primer is easily applied to surfaces and offers a smooth, even finish for topcoating.

Recommended Substrates: Drywall, Wood, Cured Plaster, Masonry, Galvanized Metal, Aluminum.

Dry time at 77°F (and at 50% RH) is 30 minutes to touch and 1 hour to recoat. For maximum stain resistance, allow four hours before topcoating.

- Interior/Exterior
- All-Purpose
- Great Adhesion
- High Hiding
- Excellent Sealing & Adhesion
- Quick Dry & Recoat
